

It is my absolute honour and privilege to extend a warm welcome to all our friends, family, citizens, guests and Festival Friends from throughout BC and the Pacific Northwest as the New Westminster Hyack Festival Association celebrates its 47th year in 2018.

“I believe in tradition; I believe in the idea of things being passed between generations and the slow transmissions of cultural values through tradition”
~Graham Moore

I am eternally grateful to have had the amazing opportunity to raise my daughter, Shane, (Hyack Princess 2016), in our Royal City: New Westminister. Named by Queen Victoria after her favourite part of London and once the capital of mainland BC, it is a magical city, rich in heritage and culture that encourages us to blossom, take root and grow. Hence this year’s theme:

*“Rooted in Tradition...
Blossoming into the Future”*

It has been incredible to see our New Westminister Hyack Ambassadors, who are our future leaders, blossom into confident and well-spoken young ladies by “Serving Our Community - Representing Our City”. The marriage of tradition and modernization makes New Westminister a very unique and special place indeed!

WELCOME! We look forward to seeing you at our New Westminister Hyack Festival Association International Parade and Festivities!
