June 2016

2015-2016 Royal Rosarian Field Trip Program

The 2016 school year marked the 9th year in a row the Royal Rosarian Foundation has allocated funds to our flagship Field Trip Program. This year the allocated funds went to elementary and middle schools in both the Portland Public School District, and the David Douglas School District.

Funding of the Field Trip Program is made possible through proceeds from our annual Auction held each year in February, along with very special grants received from the Juan Young Trust, and Travel Portland. The Field Trip Program could not have expanded without the support of these generous partners.

This year we donated over \$32,000 to 24 schools over the two districts.

The potential number of students impacted this year was 15,700. Once again, Rosarians dressed in their white suits hand delivered checks to Principals, and school assemblies across both districts.

Each May the schools provide reporting on the Field Trips fund usage including the number of students attending and the places they went. In past years trips have been taken to the Gorge, the Zoo, Sauvie Island, OMSI, Coast Aquarium, and the Children's Theater to name just a few. Often, in along with these reports we receive letters and cards of thanks from individual students, and teachers.

If you want something to brighten your day, you should read some of the wonderful thank you messages we receive from the student. If you are interested in learning more about this Foundation program, please contact Program Chair, Korrie Hoeckendorf.

President's Message

I would like to take this opportunity to say for myself and on behalf of our Foundation Board, thank you to the many people who made this year such a success for our Foundation. Thank you to all the shoppers for the Christmas for Kids program. Thank you to Dame Korrie Hoeckendorf who again was the chair and the driving force behind the Field Trip program and to all the Royal Rosarians who passed out checks to the schools. And many thanks to Sir Knight Mike Ware and the great army of people who put on the auction. We reached for the stars this year and certainly grabbed a handful. A special thanks goes to Secretary of State Adam Baker who edited and produced our Foundation publications this year. To Sir Knight Jeff McRitchie who spent countless hours on our web site pages thank you. The traveling float was again a big hit this year under the guidance of Lord Chief Justice Don Thacker and committee chair Brent Barnett and the efforts of many many helpers. Thanks to you all!

I would also like to thank the officers and Board of Directors of our Foundation. Sir Knight Mike Ware our Vice President was the chair of this years auction as well as the chair of the financial investment committee. Both these tie together as the major fund raiser for the Foundation and the committee that looks after our funds ensuring their protection and maximizing earnings over time. Duke Scott Stuhl Foundation Secretary has kept the minutes of all our meetings for and keeps track of our many policies and documents. Sir Knight Mark Sleasman has served as the Treasurer for three years and I can't thank him enough for the hours he has spent keeping all our many restricted funds in order. The balance of our board consists of Prime Minister Rick Saturn, Lord High Chancellor Jim Stahl and Secretary of State Adam Baker, Sir Knights John Creegan, Fred Anderson, John Linngren, James Brennan and Duke of the Realm Rich Blizzard. And lastly I would like to thank the many steadfast supporters of our Foundation. The donors who give memorials and special gifts in wills and trusts, who bid at the auction and participated in our various buyers rewards programs. Each contribution helped to fulfill the mission of our Foundation, "To support the charitable activities of the Royal Rosarians". This has been a great year and I have been honored to be the President of our Foundation.
