"Symphony of Roses Auction" set for March 14, 2026

Get ready for an unforgettable evening! Our 2026 Foundation Benefit Auction - "A Symphony of Roses" will take place on Saturday, March 14, 2026.

This year's event is getting a full revamp with new entertainment, catered desserts, and an incredible MC to make it a night to remember.

Tickets Now on Sale! We're making it easy to join the fun! Individual Tickets and Tables of 8 are available now.

The first 50 Royal Rosarian tickets sold will each include a free drink ticket! Yes, that means if you purchase a Table, each seat will receive a free drink ticket!

Our goal this year is to sell at least 100 tickets to guests outside the organization—so please invite your friends, family, and community members to share in this special event.

Donate & Participate. To make "A Symphony of Roses" truly spectacular, we're seeking contributions from members:
Alcohol donations (wine, beer, spirits)
Auction items (gift cards, experiences, sports tickets, vacation stays, etc.)
Hosted Dinner Parties – always a member favorite and a great auction item!

Thank you all for your generosity and enthusiasm. With your support — through donations, ticket sales, and participation — we'll make "A Symphony of Roses" an evening filled with joy, community, and purpose.

President's Message

I'm pleased with the progress our Foundation has made over the last few years, and I hope you are, too. We, on the Foundation board, are aware that you are our customers, and without your approval and support we would be unable to perform our good works. Therefore, we strive to spend the money you give us in the most effective and efficient ways.
Please take a minute to familiarize yourself with our budget, as printed in this newsletter. You will see that we need to raise about $120,000 each year to maintain our current charitable obligations, and that is why your generosity is so important to us.
This past year, with the very thoughtful gift from the estate of Wayne and Cathy Felder, we made a significant investment in the future of our organization by creating an Endowment Fund. Earnings from this account will not be available to us until the value of the fund reaches $500,000, but every year thereafter, so long as that value is maintained, the Foundation will have a somewhat predictable income stream. And as the Endowment Fund grows, who knows? Perhaps one day we no longer will need to engage in fundraising activities! What a lovely dream!
However, here in reality, we are facing the daunting task of raising $12,000 to $15,000 to buy a new trailer to haul the traveling float to parades throughout the Northwest. We are off to a good beginning. At the Rosarian membership meeting on Nov. 6, six Rosarians stepped up and collectively contributed $2,300 to get us started, and we have pledges from several more members. As of now, we have $2,800.00. We hope you can help, too. Our goal is to have

full financing in place by the end of December, so the new trailer will be ready for the Wenatchee Apple Blossom Festival the first weekend in May. Negotiations are already underway with Rosarian Peggy Walker, President of 99 West Trailers. Let's make this happen!

With gratitude for your support of all our projects,
Duchess Marilyn Schultz
Foundation President

ROSE GARDEN CONTEST

The 87th annual Rose Garden Contest Awards Ceremony was held at 6:30 pm on Tuesday, June 17, in the Royal Rosarian Garden in Washington Park. With over 60 entries, representing a 30% increase from the previous year, it was a very competitive year in many categories. Notably, 17 of our entries this year were first-time participants!
Royal Gardener Walt Lundberg passed out the stakes and grand prize vases with our Queen of Rosaria, Ava Rathi, who was escorted by our Royal Rosarian Prime Minister, Amy Arasmith. The weather was perfect, and the committee helped create a beautiful evening for this year's winners and all attendees.
Thank you to the committee, our financial and in-kind donors, and our judges, who made this year's event so successful
We are excited for the upcoming 2026 contest and hope to get another great turnout. The 88th Annual Rose Garden Contest judging will take place on May 31st, and the awards ceremony will be held on June 16th, 2026. We welcome novice to expert judges - each judging cluster will have a rose expert. A brief seminar at the beginning of our judging day, over coffee and treats, will help us review the judging criteria and kick off our fun day exploring these beautiful gardens. This is an event you want to attend! Contact 2026 Co-Chairs Dames Kerri Burke & Kathy Schach for more information.

QUEENS' GARDEN PARTY

Plans for the 2026 Queen’s Garden Party are beginning to bloom! Committee chairs are now in place, and planning meetings will begin in March. Work on the event budget is underway, with a goal of welcoming about 280 attendees and securing the same strong sponsorship support we enjoyed last year. Details such as attendee and sponsor costs are still being finalized. Letters to past Queens, sponsors, and members are expected to go out by April 1, 2026. While planning is just getting started, enthusiasm is already growing for what promises to be another elegant and memorable celebration of Rosarian tradition and community spirit

MILK CARTON BOAT RACE

The 2025 Milk Carton Boat Race was held on June 22nd 2025, at the Westmoreland Park casting pond. Forty-two boats and their racers were especially colorful as many boats had special "rose" decorations to compete for the Portland Rose Society award for the Jr. and Sr. divisions. The Carton of Thorns won the Jr. Division and Red Dogg won the Sr. Division. The Rose Festival Foundation awarded prizes to the Girl Scout Troop 90623 for the team work shown by everyone in the troop to make sure the scouts participated at their comfort level.

This event was successful because the committee worked as a smooth team to handle the forty-two boats that showed up to race in nine different categories (up from twenty-five last year). There were heats in many of the categories.

Kurt Brunswick and his crew at the start line had the boats lined up and ready to race very quickly. Rick Saturn and Dave Salesky kept the spectators and the race teams aware of what was happening as the races progressed - everyone enjoyed their narrative. Kimberly Bown (with the help of Chris Johnson) and her judges figured out in the moment how to keep track of their boats, get the placing results, and also, this year, the individual timing of each contestant to Chris Middaugh to record all the results. Judy Rompa, Barbara Brennan and the registration team got all the participants registered and the results organized so the placing teams got their picture taken, medallions and awards in a timely and accurate manner at the end of a very busy day. Actually, over fifty Rosarians were working to help the event go so well. There were other Rosarians handling parking, crowd control, inspection of the boats, food for all the volunteers and the Youth Activity area. Know that you are appreciated.

At this point, we are working to secure sponsorships for the 2026 event. If you have a business or organization that you feel would like to support this event, get the information on the website event page or please let me know.

FIELD TRIP PROGRAM

Planning is underway for the 2025–2026 Royal Rosarian Field Trip Program! We have reached out to area school districts requesting updated enrollment information, including total student numbers, and the number of students experiencing poverty. The new criteria now includes students whose family are on SNAP, TANF, foster care, migrant or homeless.

These figures will help us complete our budget and ensure that all students—regardless of background—have the opportunity to take part with their classmates in off-site educational experiences.

The Rosarian Field Trip Program continues to be one of the Foundation's most rewarding outreach efforts, connecting students to our city's traditions and to the spirit of the Royal Rosarians.

COMMUNITY TRANSITIONAL SCHOOL

THANK YOU, ROSARIANS!

"Over the moon!" That's the expression used by Cheryl Bickle, founder and Principal of the Community Transitional School, when she described the feelings of herself and her staff when they received Back-to-School supplies from Royal Rosarians. During the first two weeks of September, the Amazon truck stopped at the school every day and left a total of 84 boxes of much needed items with which to start the school year. "Every day was like Christmas morning!" Cheryl said. "The kids were most excited about all the colorful markers."

Thank you to all Rosarians who participated in this effort. You truly made a difference in the lives of many deserving children!

THANKSGIVING FEAST

It's almost time for the annual Thanksgiving Feast at CTS, which will be attended by several Foundation board members. Every year, on the day before the holiday, the school provides a midday meal to fulfill three goals. First, it is to show appreciation to the guests, who are financial donors and volunteers whose support makes the school possible. Secondly, it is to familiarize the students with an American tradition that may be unknown to them. Thirdly, it is to give the children an opportunity to practice their social skills with supportive adults.

The event begins with a program at which these homeless, at-risk students read their original poems. Almost all of these youngsters are exceptionally shy and have no self-confidence, so it takes great courage for them to speak up in front of strangers. Then the students pair with guests to go through the food line, which is set up in the hallway where student art and classwork is displayed.

The menu features the usual turkey, stuffing, mashed potatoes and gravy, green beans, cranberry sauce, roll and butter, and pumpkin pie, all prepared by the kids and their teachers. Amazingly, some of these foods, especially stuffing, cranberry sauce, and pumpkin pie, are foreign to the children. Last year our Matt Clark was helping as a server when a small boy cried because Matt had ladled gravy on the potatoes and "ruined" them. Some children are reluctant to try unfamiliar foods, so they eat only the (plain) potatoes and roll and butter.

Students and guests carry their plates to the cafeteria or a classroom, where they sit at tables pre-set with napkins and eating utensils. Older students serve juice or water, and (later) the pie. Strips of paper on the tables list possible non-threatening topics for discussion. After a brief visit, the buses arrive to take the children "home," wherever that may be - motel, shelter,

tent, car or RV.

As they leave, guests are warmly thanked by school staff.

MARILYN'S HOLIDAY OPEN HOUSE

You and your spouse or guest are cordially invited to attend Marilyn Schultz's annual Open House. The date is Saturday, Dec. 20, from 1:00 pm to 4:00 pm. at Marilyn's home. Drop by for a little seasonal cheer!

This is not a potluck (there will be food), and please, no hostess gifts. However, if you would like to bring something for the children at the Community Transitional School, one of the Rosarian Foundation's favorite charities, donations would be most welcomed, but do not feel obligated to do so.

The school is dedicated to meeting the educational needs of pre-kindergarten through eighth-grade students whose families are homeless, in transition or experiencing other poverty-related crises. The school is in its 36th year and operates five mixed-grade classrooms. During the course of the school year enrollment averages around 225 students (ages 4-14) who live in motels, shelters, cars, tents, or homes of friends or relatives. School buses go out each day to collect the students, wherever they may be, to provide them with a measure of stability in their lives.

Each year Marilyn collects school supplies, shoes, and boys' and girls' warm and washable clothing such as coats, sweatshirts and pants, socks and underwear. New clothing is such a thrill for these youngsters, and it makes them feel valued. (No used clothing, please.). Also needed are gift certificates for McDonald's and Burger King for teachers to use as incentives, and gift cards for Fred Meyer and any children's bookstore. You can see a current wish list on the school's website (transitionalschool.org) under the Donate tab. Checks made out to CTS are always VERY welcome. Monetary contributions are used to purchase fuel for the school's buses. Gifts should be unwrapped, because they will be given to the students throughout the year, not just for Christmas.

Marilyn's guests always have been very generous in their support of the school! If you would like a receipt for your donation, please attach to your package your name, address and estimated value of your gift. All cash or check donors will automatically receive a receipt.

Clothes Closet

Your Royal Rosarian Foundation has a Clothes Closet to support our charitable activities and keep our Rosarian gear out of the thrift stores. We take all pre-owned Rosarian wear.

The Clothes Closet has white uniforms, including women's long skirts, green jackets, hats, shoes, and casual wear. The gently used white uniforms are best for rainy parade days when you don't want to get that new, crisp uniform dirty or as a backup for out-of-town events. There are over 200 items available in the Clothes Closet right now.

Consider donating your unused items to the foundation, especially rain covers for hats—you will get a tax write-off, and another member will get a pre-owned Rosarian item at a reduced cost. To make an appointment, just call or text me at 503-351-7708.

GRANTS

THANK YOU, KAISER PERMANENTE!

The Foundation has recently received a grant from Kaiser Permanente in the amount of $3,500, which is restricted for use in our School Field Trip program. A number of Rosarians work for Kaiser, and it is because of their efforts that our application was successful.
Special thanks to Holly Morgan for her volunteer hours that helped us secure the grant, and to Ron Shoals, for his advice regarding the process.
This gift is in the same amount as we received last year from Kaiser, and we are very grateful for their continued support. Thanks also to Barb Brennan for preparing these applications.

Consider Ongoing or Monthly Contributions

Another way to support your Royal Rosarian Foundation is to make a one-time or monthly donation through your employer's Charitable Giving Campaign. Several Rosarians make monthly contributions, and their employers match them in full or part. The Foundation website has a link now to make it easy to donate: https://royalrosarianfoundation.org/donate/

Community Rewards Programs

Easy and Free Ways to Support Your Foundation

Your Royal Rosarian Foundation is partnering with two organizations to raise funds for the Foundation.

The ***BottleDrop*** program is an easy way to support your Royal Rosarian Foundation. Barb Brennan reported at the October Board meeting there have been eight bottle drop deposits for a total of $46.20 since last month's report. This balance as of 10/8/25 is $82.26

Here is what you need to do:

1. Get a blue bag with a sticker from Barb Brennan
2. Fill the bag with redeemable bottles and cans
3. Tie the bag firmly
4. Drop off your bag at a Bottle Drop site https://bottledrop.com/locations

a. To deposit the bags, scan the label's QR code at the deposit site and put

the bag inside. Hint: Make sure the red 'crosshair' from the scanner appears on the label's QR code. You'll hear a 'click' from the door when the scanner has identified the label.
5. Contact me to get another Blue Bag!

Additionally, if you already have a BottleDrop Green Bag account, you can donate any amount of your account balance to the Foundation.
1. Sign in to your individual BottleDrop account (online or app) https://bottledrop.com
2. Search for and select Royal Rosarian Foundation, then click through to the donation page
3. Enter your donation amount, then click 'Donate Now.'

Sign up for the ***Fred Meyer Community Rewards*** program, and Fred Meyer will take care of the rest. In first quarter 2025 the Foundation received $81.34 through this program with 40 participating families. You need a Fred Meyer Shopper's Card and an online account.
1. Go to www.fredmeyer.com/communityrewards, then follow the steps listed there.
a. Select Royal Rosarian Foundation (Organization Number DX607)
2. If you have registered before, please check your account to ensure the Royal Rosarian Foundation is still your selected organization. Every few years, Fred Meyer will email you to confirm your selection. Fred Meyer automatically removes your account from the program if you don't confirm your selection.
3. If you have difficulty signing up or confirming the Royal Rosarian Foundation, don't hesitate to contact me.
